

Lawrence Livermore National Laboratory
Supply Chain Management Department

May 8, 2012

Subject: **Amendment 2**
Request for Proposal (RFP) Number B599860
Storage Research & Development

Attachment: **FastForward Class Advance Waiver**

The RFP is amended to include the attached FastForward Class Advance Waiver, which replaces and supersedes the initial draft version (i.e., RFP Attachment 8 “Pending Class Advance Waiver Provisions”).

DOE has approved the explicit language of the attached FastForward Class Advance Waiver. DOE may have made changes between the initial draft and the approved waiver. Accordingly, interested offerors are advised to carefully review the attached FastForward Class Advance Waiver in its entirety.

All other terms and conditions of the RFP remain unchanged.

Sincerely,

Julie Moffet
LLNS Contract Administrator
