

Lawrence Livermore National Laboratory
Supply Chain Management Department

06 August 2008

Attention: Interested Offerors

Subject: **Amendment 2**
Sequoia Request for Proposal (RFP) Number B563020

Lawrence Livermore National Security, LLC (hereinafter called "LLNS") hereby issues Amendment 2 to RFP B563020.

LLNS amends RFP B563020 as follows.

DRAFT STATEMENT OF WORK

Sections 8.3.6 and 8.3.10 are modified to reflect two on-site personnel, which is consistent with Section 6.4. The preceding references in Sections 8.3.6 and 8.3.10 to three on-site personnel were inadvertent.

PROPOSAL EVALUATION & PROPOSAL PREPARATION INSTRUCTIONS

Section 7.2, the final sentence of the second paragraph is modified as follows.

Delete:

"Software Maintenance pricing should be based on 7x12 (0800-2000 Pacific Time Zone) with one hour response time for all systems proposed starting with system acceptance and extending for five (5.0) years."

Replace with:

"Software Maintenance pricing should be based on 7x12 (0800-2000 Pacific Time Zone) with one hour response time for all systems proposed starting with system installation through acceptance. From acceptance to five (5.0) years after acceptance Software Maintenance pricing should include an electronic trouble reporting and tracking mechanism available to LLNS 24x7 and periodic software fixes and updates based on LLNS priorities."

All other aspects of RFP B563020 remain unchanged.

Sincerely,

A handwritten signature in black ink that reads "Gary M. Ward".

Gary M. Ward
LLNS Contract Administrator
